

## **COVID-19 UNITED COMMUNITY FUNDS PHASE II GRANT AWARDS**

United Way leaders engaged 22 community members to review the Phase II applications. Grant awards totaling \$461,942 were distributed to 81 nonprofit organizations in Columbia, Lycoming, Montour, Northumberland, Snyder, Sullivan, Tioga and Union Counties.

Phase II funded requests for on-going emergent needs, such as personal protection equipment, food, rent, and childcare. Additional awards focused on long-term recovery needs, such as funds lost due to canceled fundraisers and unbudgeted costs related to new initiatives created due to the pandemic.
