

A PARTNERSHIP OF WOMEN

The Pearls with a Passion women's giving society brings together women from a variety of backgrounds with a common goal – to create powerful communities through passionate giving.

By becoming a member of this giving society, the women will help to establish a regional field of interest fund, appropriately named - Pearls with a Passion Fund.

Their enthusiasm, passion for our communities and financial resources will bring about change through grants to nonprofit organizations serving the residents of Bradford, Clinton, Lycoming, Montour, Northumberland, Sullivan, Tioga, and Union Counties.

The all-women's fund will empower women to get involved; unite women across our region; impact lives forever; create powerful women through passionate giving; celebrate the role of women in our community; and inspire others to give.

Members of the society become Pearls through an annual contribution of \$250 or more. With a lifetime giving of \$25,000 to the society, Pearls become founders.

Each year the society hopes to generate \$10,000 to grant to local nonprofits. Cause for support and the grant panel will be determined yearly by the representation of membership at their annual meeting in December.
