

FCFP IS HOSTING A “WALK IN PENN’S WOODS”

A Walk in Penn’s Woods, a statewide coordinated event, encourages people across Pennsylvania to learn how their local woods work, see forests in new ways, and appreciate and love the forests so that we can all care well for them.

Join Rider Park Manager, Sara Street, on a 3.5 mile hike of Cheryl’s Trail while learning about how the forests enhance our well-being. Meet at the main parking lot at 9:00 AM.
