Tips and Tricks

Some quick tips for using this online application form:

- Limit your use of bullets and other formatting.
- Log into your account at https://www.GrantRequest.com/SID_6229?SA=AM to access saved and submitted requests.
- Add mail@grantapplication.com to your safe senders list to ensure you receive all system communications.
- Before filling out the application, you may find it helpful to click the "Printer Friendly Version" button above. This will offer you a preview of all of the questions on the application.
- You may save and come back to your application at a later time by clicking the "Save & Return to My Account" button at the bottom of each screen.
- To move to the next page, please click the "Next Page" button at the bottom of the page or click the page number at the top of the page.
- Do *not* use the "Back" or "Forward" buttons on your browser to navigate through this application.
- PLEASE NOTE: This application uses word limits, not character limits. Questions with word limits will display a live word counter below the question field. *Word limits will not be enforced until you submit your application.*. Please be mindful of this as you fill in these fields.
- **When clicking the "Review Before Submitting" button:** You will be required to review the entire application one final time before clicking the "Submit Application" button at the bottom of the screen.
