

A Walk in Penn's Woods

Sunday, October 1st
2 p.m. – 4 p.m.

CHERYLS TRAIL and GREEN TRAIL HIKE
Meet in the main parking lot of Rider Park

A Walk in Penn's Woods is a statewide coordinated event by the Pennsylvania Forestry Association. It encourages people across Pennsylvania to visit and learn about the forests that enhance our well-being. Forests are always working for us, providing recreation, wildlife habitat, beauty, improved water quality, clean air, wood products, carbon storage, and more.

Join Rider Park Manager, Sara Street, on a hike of a portion of Cheryl's Trail and the new Green Trail while learning about how the forests enhance our well-being. We will visit a new vista overlooking Loyalsock Creek and Doe Pen Vista.

Please call 570-321-1500 or email AmyP@fcfpartnership.org to register.
The event will be hosted rain or shine. Check @FCFPGives on Facebook for event updates.
An email will be sent prior to the event to registered hikers.

Directions to the Park can be downloaded from our website.
